ANFACHEN AWARD 2017

SUBJECT „TOLERANCE“

WWW.ANFACHENAWARD.DE

The Anfachen Award 2017 is given to posters that ignite energy, inspire, stimulate and create a stir—with unquestionable passion in its second year.

THE TOPIC

The Anfachen Award 2017 wants to interpret, understand, embody and proclaim tolerance in an aesthetically remarkable and widely visible way.

A tolerant person is one who is serene in the face of paradox between social norm and reality. But how do we truly understand this word—what remains hidden behind this curious mixture of tolerance and resistance? Who lives out, needs or really even wants tolerance?

CONCENTRATED CREATIVITY

The participants are free to choose any personal, political, aesthetic or formal point of view in their approach to the assigned topic of „Tolerance“. Photographic, paint-based, graphic and typographic works are accepted. Participation is subject to the following conditions:

PUBLIC

The best 25 posters will be selected by an international jury and then displayed on billboards in Hamburg. They confront the public on busy streets and highly frequented public places to become the subject of discussion and reflection, encouraging a broad and long-lasting debate on the subject of “Tolerance”.

BORDERLESS

In January / February 2018, the selected posters will be visible in the Hamburg urban landscape for four weeks, after which they will ‘go on tour’. They will be displayed in other German cities such as Berlin and Frankfurt, and they will make an international impact in countries such as Russia, Turkey and the USA. Accordingly, both a German and an English version must be provided to the extent that language plays a role in the design.

31.10.2017	Deadline for submissions.
23.11.–04.12.2017	Exhibition of the jury members’ own works under the title “Anfachen II” at the galleries of Frappant e.V., Hamburg.
01.12.2017	The winners will be informed by e-mail of the jury’s selection of the 25 best posters.
04.12.2017	Finissage of the Jury exhibition
09.01.2018	Preview opening / Vernissage of the 25 Winners in Hamburg.
09.01.–28.02.2018	The 25 selected posters of the Anfachen Award 2017 on the topic “Tolerance” will be displayed on the streets on Hamburg and throughout the cooperation partner cities.

REGISTRATION

Registration is made via a registration form that is available at www.anfachenaward.de, which must be completed and then sent to anmeldung@anfachen.de.
